1.0 THE AGREEMENT

1.1 These Terms and Conditions ("Terms and Conditions") constitute the entire agreement ("the Agreement") between you and us ("the Parties").

2.0 APPLICATION AND ADMISSION TO THE SIPP AS A MEMBER

2.1 The SIPP is a Self-Invested Personal Pension product governed by its Trust Deed and Rules, which is an HM Revenue and Customs (HMRC) registered pension scheme under pension scheme tax reference 00658544RT, and to provide the services detailed under the Agreement. You accept that admission to membership of the SIPP is at our absolute discretion and that these Terms and Conditions apply from the date of your Application;

2.2 You have been admitted on the basis of the information you disclose, the options you select and the declarations you make in your Application and we will create one or more arrangements in the SIPP for you in which will reside your benefits. Your benefits will be comprised of such cash and other investment assets that shall exist in such combination and of such value from time to time as derived from such pension contributions made to the SIPP by you or on your behalf, such non-tax relieved top up payments you may pay into the SIPP with our prior approval, and from such pensions transferred to the SIPP from your other registered pension schemes;

2.3 the Brooklands SIPP Key Features sets out and provides details of the pension transfers, pension contributions, investment assets and pension benefits permitted by us, and other information on how the SIPP operates and

the Key Features must be read in conjunction with the making of an application to join the SIPP;

2.4 you will provide us with proof of identity and proof of address in accordance with the exact requirements detailed in our Application to join the Brooklands SIPP. We use an Anti-Money Laundering & Compliance platform to confirm your identity and address, the identity and address of anyone else providing or receiving monies on your behalf and, where required, the identity and address of other connected parties. As part of these checks, the Anti-Money Laundering & Compliance platform uses credit reference agencies to verify identity and address details. By entering into the Agreement you confirm that you consent to the above;

2.5 you agree that where we suspect fraud, we may share information about you with a fraud prevention agency. Where information in your application is incomplete or incorrect we may adjust your application to make it valid, but we are not bound to do so. We will only make changes using details you have previously given to us in writing;

2.6 we may refuse your instructions at our absolute discretion and we may not provide you with a reason for doing so. We may refuse your application for, but not limited to, the following reasons: provision of incomplete or untruthful information by you, your failure to observe these Terms and Conditions, a disagreement or dispute with us, as a result of regulatory or legal requirements, or for another commercial reason;

- 2.7 we will treat you as a 'Retail Client', which means you benefit from the highest level of regulatory consumer protection under the FCA rules. If you are resident outside the UK and are deemed an 'Overseas Client', we will provide the same high level of service to you but you must seek your own independent financial advice on the extent of any protection you may enjoy under the FCA rules and the legal or taxation implications of being an Overseas Client who is a member of the SIPP. We are unable to give you such advice and will not take responsibility for assisting you in complying with any legal and taxation matters that effect you, including the completion of any paperwork about your SIPP or its investments;
- 2.8 to continue as a member of the SIPP, you must have a suitably qualified regulated financial adviser (adviser) unless we agree otherwise.

3.0 TERM

- 3.1 This Agreement is valid until termination in accordance with Clause 39.

4.0 SERVICES

- 4.1 We are authorised and regulated by the FCA as an operator of personal pensions and the SIPP is a regulated retail investment product. We also provide administration services in our capacity as Scheme Administrator for the SIPP. The Asset Trustee shall hold your SIPP investments. The services provided to you by us are specified in our SIPP Services and Fees. Fees will be charged for the provision of these services in

accordance with Clause 7 of these Terms and Conditions;

- 4.2 we will provide to you only the Services or such other services that are agreed in writing between us and we will charge the current fees for those services as set out in our Services and Fees. You may request from us a quotation of fees for other services that we may be able to provide at our discretion;
- 4.3 the services described in Clause 4.1 and Clause 4.2 shall collectively be known as ("the Services").

5.0 ADVICE

- 5.1 we will not provide you with any form of financial advice, legal advice, taxation advice, pension advice (including general or specialist pension transfer) or any other kind of specialist advice. You are responsible for obtaining and funding such advice, unless it is a bona fide cost of the SIPP, and the advice you receive is the sole responsibility of the party advising you. We will not have sight of, review, comment or opine on any advice you are provided with under any circumstance, whether you follow the advice or not, as we are not authorised or qualified to provide advice and this is not a service that we provide or a service contained within the Services under these Terms and Conditions;
- 5.2 without prejudice to clause 2.8, if you are not UK resident, we recommend that you seek regulated independent financial advice from a suitably qualified FCA authorised adviser in respect of all aspects of the SIPP, including but not limited to the decision to select and to apply to join the SIPP,

pension contributions, pension transfers, SIPP Investments, the drawing of pension benefits, taxation matters, and the effects of all SIPP charges on your SIPP, including investment charges levied on your SIPP by investment managers, advisers or investment providers or those deducted or otherwise met from the SIPP investments themselves, including checking the level of those charges is not excessive, that investment contractual terms are appropriate and are not likely to impact on your needs and requirements and that you consider the existence of any investment penalties or other withdrawal fees, especially in relation to contractual terms and, where applicable, that the level of any commissions paid to your adviser or a third party are not excessive so that you understand the impact of all charges and commissions on the investment performance of your SIPP investments;

- 5.3 you are responsible for ensuring that the investment strategy assumed as part of any pension transfer advice provided to you by your adviser is implemented in full on receipt of the transfer by us into your SIPP, and that the investment strategy does not deviate from the advice you have received and you acknowledge that to do so may fundamentally undermine the premise on which the original advice was given to you, notwithstanding the fact that investment decisions may need to be modified in circumstances such as but not limited to, market and investment volatility, regulatory change, the instability

of the proposed investment provider, intervention by any applicable regulatory body that might effect the investment decision, the investment itself, the investment provider, or the status of the adviser providing the advice or a decision by us to withdraw an investment option for one of the above reasons;

- 5.4 You and your adviser are responsible for managing your investments and, the liquidity needs of the SIPP, whether to fund fees or benefits, and your own income needs;
- 5.5 where you choose not to take regulated independent financial advice, the decisions that you make in respect of any transaction relating to the SIPP, including, but not limited, to those transactions summarised in Clause 5.2 of these Terms and Conditions, will be at your own risk. All such transactions will automatically be deemed by us to be carried out on a direct execution only and non-advised basis;
- 5.6 if you are an Overseas Client, any UK tax returns or, international tax matters or returns, are your sole responsibility. Without prejudice to clause 2.8, we recommend that you seek regulated independent financial advice from a suitably qualified FCA authorised adviser and that you take suitable legal and tax advice in the UK or the relevant jurisdiction or territory of your residence.

6.0 CHANGES TO THESE TERMS AND CONDITIONS

6.1 We may change these Terms, and Conditions including the Services and our fees, from time to time in whole or in part, by giving you reasonable notice of the change. We will notify you of changes to the Terms and Conditions by sending you the amended Terms and Conditions by post or by email. We will also make the amended Terms and Conditions available on our website.

We will only change these Terms and Conditions for the following reasons:

- a) to reflect changes in the costs and charges that we incur or expect to incur in providing the Services to you, and/or to take into account changes in the rates of inflation, taxes or interest;
- b) to reflect current or future changes in law, HMRC practise rules or regulations, or decisions of the Pensions Ombudsman Service or the Financial Ombudsman Service;
- c) to meet changes in FCA rules or regulatory requirements or industry guidance or best practice;
- d) to make these Terms and Conditions easier to understand or fairer, or to correct mistakes;
- e) to expand on or to clarify our own internal policies;
- f) to reflect changes in market practice or conditions;
- g) to reflect the way that our services are used and ensure that the costs of the Services are allocated fairly among our clients; or

h) to provide for the introduction of new systems or services and changes in technology or products.

6.2 we will give you at least 30 days' notice of any change to these Terms and Conditions that may be detrimental to you, unless we are required to make the change sooner (for example for regulatory reasons). If we make a change for a reason not set out above which is detrimental to you, you will be entitled to end your contract with us without paying the fees to wind up the SIPP and transfer out to another registered pension scheme and any applicable fees for the transfer of your investment assets in specie, for a period of 90 days from the date of such change becoming effective.

You will be responsible for third party fees incurred in transferring the SIPP and investment assets to another pension scheme;

6.3 incidental changes (such as clarity, drafting and typographical amendments) are made immediately and will be available on the Alltrust website or in printed form upon request.

7.0 FEES, STANDARD FEE INCREASES AND CAPITAL ADEQUACY

7.1 Your SIPP establishment and first year's administration fee is due immediately on your admission to the SIPP for our provision to you of the Services and will be settled from the SIPP. The contractual payment date will be the earlier of:

7.1.1 the date on which sufficient pension contributions or sufficient pension transfers have been

received into the SIPP to meet the total cost of the fees; or

7.1.2 90 days from the date of our invoice;

7.2 we will settle your annual fee from the SIPP on the anniversary of your admission to the SIPP in advance and thereafter in each subsequent year, for the Services to be provided;

7.3 we reserve the right to increase our fees in line with annual movement in Average Weekly Earnings or such other index as is issued by the Office for National Statistics from time to time and as published one month before we review all fees;

7.4 we are required to hold sufficient capital to meet the regulatory rules set by the FCA to operate the SIPP. This capital adequacy requirement is designed to protect our clients if we, as an operator, fail or if we choose to withdraw from the SIPP market, to cover the cost of the transition of your SIPP to a replacement operator. FCA rules now directly link this capital requirement to the value of the SIPP and the type of Investment assets and the liquidity of those assets held in it. The SIPP only accepts liquid investment assets which are assets that are capable of being accurately, independently and fairly valued at any one time and that are readily realisable within 30 days, whenever required, called "Standard Assets" by the FCA. The SIPP does not accept "Non-Standard Assets" which are illiquid assets, except at our absolute discretion. Part of the fee we charge covers the cost of the impact your SIPP has on our capital requirement. We may charge a

specific capital requirement related fee at the point at which you join the SIPP, in respect of pension contributions and pension transfers received at any time, on the growth of the SIPP fund value if the SIPP has increased in fund value, or at the point at which an investment is made, or because there has been a change in the FCA rules that determine the levels of regulatory capital we are required to hold. We may charge a capital requirement related fee without reference to you where a SIPP investment becomes suspended or is made otherwise illiquid and ceases to be a standard asset to meet our changing capital requirement and such charges may have substantial cost implications and we may charge a fee to cover the time cost of any additional work we are required to do or we may insist that the investment is sold and sell the investment without reference to you to ensure compliance, in which case we will charge you the applicable administration fees for dealing with the investment disposal. We will not be held responsible or liable where such action results in an investment loss. It is your and your adviser's responsibility to ensure your SIPP investments remain Standard Assets at all times;

7.5 without prejudice to clause 7.4, if your SIPP contains nil valued assets because the investment is impaired or suspended and the investment returns to value, this will increase the overall value of our Assets Under Administration which will in turn increase our capital requirement. Should such an event occur, we will charge a fee as a contribution to cover the

- automatic increase in our capital requirement;
- 7.6 we may choose not to increase our fees for the Services in a particular year;
- 7.7 fees for additional services shall be charged in advance by us on receipt of instructions received from you or your appointed adviser to commence work on a particular transaction and fees will be settled from the SIPP automatically when we commence the work;
- 7.8 where we receive instructions to carry out any work that gives rise to an additional annual fee, we will charge the first annual fee in respect of this work at the point at which you instruct us to provide the additional service and then in each subsequent year at SIPP anniversary. Such fees shall be charged in full and shall not be charged on a pro rata basis;
- 7.9 fees for additional services will be charged in full for aborted transactions and we reserve the right to vary the charge to a proportion of the full fee for any work undertaken on an aborted or pending transaction, or agree additional fees with you for complex transactions;
- 7.10 additional services with fees charged on a time cost basis will be calculated as follows:
- a) work undertaken by our administration staff is charged at £250 per hour;
- b) work undertaken by a Director is charged at an increased rate of £350 per hour;
- 7.11 we will charge Value Added Tax in addition to our fees at the current
- UK prevailing rate for clients who are resident in the UK. We will not charge Value Added Tax in respect of our fees charged to clients who are not resident in the UK;
- 7.12 you agree to remunerate us for the Services undertaken by us either automatically under these Terms and Conditions or at your request and receipt of application forms or written or verbal instructions by us from you or your adviser constitutes a request for our services. You hereby authorise us to settle such fees from the SIPP in accordance with these Terms and Conditions and at our absolute discretion;
- 7.13 except in so far as we are not permitted to do so by law, we reserve the right to exercise a lien over all documents, funds and records in our possession in relation to the SIPP until all outstanding fees and disbursements are paid in full.

8.0 PAYMENT TERMS AND UNPAID DEBTS

- 8.1 All fees that we charge for the Services are due for payment immediately from the SIPP on the due date and fees and all other charges due to third parties applicable to the SIPP and any other costs incurred because of your investments will be deducted from the cash in the SIPP, or, where applicable, from the investments themselves by the investment provider and it is your responsibility to understand the fees that are levied by third parties and how they are calculated and how and from where they are settled;
- 8.2 Our fees will be settled annually from the SIPP or at the point at which fees are due for additional

services in accordance with these Terms and Conditions. We will set aside sufficient funds for next year's anticipated fees when you set up your SIPP, when we settle your annual fee in subsequent years and when fees for additional services are settled from the account. We require you to maintain a minimum cash balance of £1,500 to cover administration fees. If the balance drops below this amount, we will disinvest sufficient funds from the SIPP investments in accordance with these Terms and Conditions to maintain the minimum cash balance. The investment provider may require you to countersign any disinvestment instruction. You must not allow the SIPP to become overdrawn. If the outstanding charges due exceed the cash available in the SIPP to pay us we may sell investment assets in the SIPP to cover the outstanding amounts, in accordance with these Terms and Conditions;

- 8.3 if you owe us money which we cannot collect from the SIPP we have the absolute right of sale of investment assets in the SIPP (including those held in joint names) without recourse to you or your adviser to meet amounts you owe to us. If there is insufficient cash in the SIPP to meet any fees arising in the first three months following your admission to the SIPP, we will not sell investment assets in the SIPP to pay these fees until the first three months following your admission to the SIPP have elapsed;
- 8.4 if we must sell any of your investment assets to meet your obligations, we will charge the

appropriate transaction fee or a fee based on time spent at the rate set out in the Services and Fees;

- 8.5 we will review the SIPP for outstanding fees on a regular monthly basis. When selling investment assets to cover fees we will normally;
 - a) sell investment assets from the largest available holding by value without notice, sufficient to cover the outstanding fees at our sole discretion. You should contact us if selling your largest holding may present a problem. If there are restrictions on selling the largest holding, we may sell an alternative holding at our discretion;
 - b) where the sale of an investment asset would result in greater than 90.9% of the value of that holding being sold, we will sell the entire holding. This calculation shall be based on the most recent valuation available at the point of creating the sale instruction;
- 8.6 we do not accept any liability if this sale is made at a disadvantageous time or if you incur any other liability in relation to the sale e.g. penalties;
- 8.7 you will continue to be personally responsible to us for any outstanding balance due after investment assets have been sold or in the event investment assets cannot be sold and the difference in value will be immediately payable to us by you personally if a shortfall remains;
- 8.8 we may charge you interest on money you owe to us at 5% above the Bank of England Base Rate for all fees that remain outstanding for more than 14 days. We may also make credit

reference agencies aware of your payment record. This may affect your financial standing in the future. We may also immediately cancel, terminate and/or suspend any contract with you without having any resulting liability to you. If we need to take legal action against you for recovery of a debt then you will be liable for all expenses incurred by us;

- 8.9 where we sell an investment asset in the SIPP, that sale may result in a gain or loss for you. We are not responsible for any losses you incur or for any tax consequences or associated costs or other liabilities which arise because of any sale;
- 8.10 if there are insufficient investment assets in the SIPP to meet the outstanding amounts we may enforce payment from your own personal funds and lapse the SIPP with no value.

9.0 THIRD PARTIES FEES AND DISBURSEMENTS

- 9.1 Professional fees and disbursements for services charged by third parties such as but not limited to: solicitors, financial advisers, investment advisers, tax advisers, accountants, banks, actuaries, value added tax experts and stockbrokers are your responsibility and are, to the extent that they are incurred in respect of the SIPP, a cost of the SIPP, and will be met out of SIPP funds at our absolute discretion; SIPP funds at our absolute discretion;
- 9.2 in addition to where we sell the SIPP's investment assets to cover fees under Clause 8, we may

need to raise funds for other reasons, for example to send tax relief back to HMRC or to pay third party fees or charges. In these circumstances, we will act in accordance with Clause 8 above but will only sell holdings to the degree required to meet the outstanding amounts.

10.0 INVESTMENT DECISIONS, INSTRUCTIONS, ADVICE FEES AND INVESTMENT COSTS

- 10.1 The SIPP provides access to standard assets only. A list of the types of investments that we permit is contained in the Key Features. We also publish a list of Investment Providers that can be accessed by the SIPP. The SIPP is a Self-Invested Personal Pension and therefore the investment transactions you or your adviser instruct us to undertake with or without regulated advice are self-directed by you and we will not take part in any of your decisions, investment related or otherwise;
- 10.2 we will carry out due diligence in respect of all Investment Providers and investment proposals to:
 - a) take reasonable steps to determine the validity of the investment's legal structure;
 - b) determine the appropriateness of holding the investment in the SIPP, strictly and only in terms of its compatibility with pension tax law and HMRC practice;
 - c) take reasonable steps to verify that the investment is a bona fide investment being run and managed by a competent firm or competent individuals;
 - d) determine whether the investment permitted to be made by ordinary

retail clients or if it is an investment the marketing of which is restricted only to retail clients who are either high net worth investors, sophisticated investors or another restricted or controlled category of investor; and

e) take reasonable steps to determine if the investment will not on the face of it result in unauthorised payments;

10.3 our agreement to make an investment does not constitute a recommendation to you or endorsement by us of the investment or constitute participation by us in the investment decision itself or the provision of any kind of advice, which we are not authorised to provide you with;

10.4 we will not permit any investments into the SIPP that fail our investment due diligence process and we will permit or refuse an investment at our absolute discretion. Our due diligence process is not a substitute for your own need to take professional advice or for you or your adviser to carry out your own comprehensive investment due diligence to satisfy yourself as to the validity, risks and suitability of the investment before you make an investment decision as to whether to invest or not;

10.5 the presence of an investment provider and their investment on our panel of approved SIPP investment providers from time to time or a decision by us to permit an investment in the SIPP is not a recommendation or endorsement by us of the investment provider or investment and we will never

earn commissions or have any other financially incentivised relationship with any investment provider at any time. Our panel of investment providers or permitted investments are simply the providers and investments we are prepared to accept and deal with in respect of the SIPP, is subject to change and we may withdraw access to an investment provider at any time and at our absolute discretion without reference to you;

10.6 should you self-certify as either a high net worth investor or a sophisticated investor or elect to be treated as a professional investor in order to make an investment restricted to those categories of investor which preclude investment by an ordinary retail client, you will be responsible for the validity of making such a declaration, certification or election and we shall bear no responsibility for the implications of you doing so, any false certification or for the investment you make as a consequence and any breach of law if you are not permitted by law to make such a declaration, certification or election. We may, although we shall not be bound to do so, request evidence from you to support the validity of your declaration, certification or election, prior to making any restricted investment;

10.7 we will accept no liability for the failure of investments self-directed by you or your advisers or for investment losses due to poor performance or otherwise. We will take reasonable steps to carry out due diligence in a timely fashion but this will be dependent on the cooperation

of you, your adviser and the investment provider and we may agree a fee with you for complex investment due diligence as undertaking investment due diligence does not form part of the Services. We will not accept responsibility for delays caused by any party during our due diligence process or the investment process itself and we will not accept liability for any financial losses whatsoever or howsoever incurred, including if we exercise our absolute discretion to reject an investment you or your adviser has proposed;

10.8 you authorise us to act from time to time on instructions given in any manner (including but not limited to verbal, written and electronic instructions) in circumstances where we reasonably believe those instructions to have emanated from you or any person, adviser or firm you have authorised to act on your behalf;

10.9 if you do not provide us with investment instructions then pension contributions, transfer payments from other registered pension schemes, investment sale proceeds or investment return in the form of cash and other cash deposits will remain in the SIPP trustee bank account and may not achieve a very good rate of interest or any investment return at all. It is your responsibility to identify and monitor cash deposits that have not been invested and we will not accept any responsibility or liability for losses or lack of or poor investment return if you do not invest this cash;

10.10 you may instruct us from time to time and provide us with a

written mandate in a form prescribed by us, instructing us to pay adviser remuneration to your appointed adviser in accordance with our Adviser Remuneration Policy and Adviser Terms of Business. Such instructions will remain in force until we receive alternative instructions from you or until we suspend in accordance with the terms of our Adviser Terms of Business;

10.11 By instructing us to make an investment you agree to investment charges being deducted from your investments by an investment provider under the terms of the investment application. You must ensure the terms of an investment, its charges and any remuneration agreements between the investment provider and your adviser are consistent with your expectations before instructing us to make any investment on your behalf;

10.12 Where you are selling investments in a currency other than GBP, you must consider the exchange rate implications of doing so as the proceeds will be remitted to the SIPP bank account in GBP and we are under no obligation to remind you of this and we will not accept liability for currency conversion transactions that you deem to be unfavourable.

11.0 SERVICE STANDARDS

11.1 We will provide you with administration services in accordance with the standards as detailed in our SIPP Services Standards. We reserve the right to vary Service Standard times in the event of a change in governing

legislation or internal procedure and any such variation will be confirmed in advance and in writing;

- 11.2 where we are asked by you to perform a number of services simultaneously, it is your responsibility to take into account and factor into your requirements the length of time we allocate to a particular service under our Service Standards and to note that the performance of some services are contingent on the completion of other services first and in such cases, our Service Standard turnaround times will stack, example: set up of a new SIPP and a pension transfer to your new SIPP.

12.0 APPLICABILITY OF THE SIPP TRUST DEED AND RULES

- 12.1 You acknowledge that the SIPP is governed by the Trust Deed and Rules in respect of the Brooklands SIPP to which you have applied to become a member ("the Rules") as amended by subsequent deeds. The Rules set out how the SIPP operates and our powers and the powers of the Asset Trustee;
- 12.2 if there are any conflicts between these Terms and Conditions and the Rules, the Rules will prevail. If there is any conflict between the Terms and Conditions, the Rules, or any other of our documents concerning the SIPP, and the Finance Act 2004 (as amended), then the Finance Act 2004 (as amended) will prevail. All payments or transfers to or from the SIPP and the operation of the SIPP in general will be subject to the legislation in force at the time;

- 12.3 we act as the SIPP Scheme Administrator and will administer the SIPP in accordance with the Rules. By applying for membership of the SIPP you agree to be bound by the Rules, which are available from us on written request.

13.0 BANK ACCOUNT AND CURRENCY CONVERSION

- 13.1 We will direct the Asset Trustee to open a trustee bank account or accounts with our banking partner for the SIPP to which the Asset Trustee will be sole signatory and the Asset Trustee will operate the account(s) under our direction. We will never accept any inducements from a bank as to our choice of banking partner and we will never deduct for our benefit any sum from the interest your bank deposit earns;
- 13.2 We may make changes to the SIPP's banking arrangements at our absolute discretion, including a change to our choice of banking partner and we will notify you in advance of the change, we will update you as appropriate during any migration process and we will confirm to you when the process is complete;
- 13.3 we will endeavour to provide you with view only online access to the bank account, to assist you in monitoring the account;
- 13.4 we may permit an account to be opened with a bank other than our banking partner but we will charge a fee calculated on a time spent basis to do so and on an ongoing basis for the

monitoring and operation of the account;

13.5 we may provide, at your request and at our discretion, access to currency exchange services with whom we have terms of business, in order to provide potentially better exchange rates on currency conversion, although we shall have no obligation to do so. Where we have agreed with you or your adviser to use a currency exchange service with whom we have terms, we will obtain an exchange rate quotation for you or your adviser to consider and if you or your adviser accept the exchange rate quotation, we will complete the transaction without further reference to you or your adviser, provided the rate has not moved by plus or minus 100 basis points. Currency exchange transactions are time sensitive and will ultimately be undertaken subject to our full and unfettered discretion and we will accept no liability for movements that are inherent in the currency exchange market.

14.0 COMMUNICATIONS WITH YOU

14.1 Please send any written instructions to Alltrust Services Limited, quoting your member number at the address published on our website: www.alltrust.co.uk. Communications may also be sent by email to customerservices@alltrust.co.uk. We will rely on any communication, including verbal communications which we reasonably believe to have

emanated from you or on your behalf. We have appropriately strict security procedures in place to help protect the SIPP and to verify your identity, so you will be required to honour any instruction made by you or on your behalf and you will be responsible for the fees and expenses incurred. Where you would like us to invest your money in a particular way, and we have not already agreed this with you, you must provide investment instructions for each individual payment and/or cash transfer you make to the SIPP. If you do not provide such instruction, the payment or transfer will be held in cash. All investments are subject to our due diligence process. Where SIPP investment assets are held in joint names, any communications will be sent to all participating investors;

14.2 you are responsible for providing us with the correct contact details, including your postal and email address. When we write to you we will do so by standard post (or if you request it we can send it by registered post, if you pay for the postage) or, alternatively we may contact you by email. Cheques will always be sent by standard post;

14.3 you must provide us with your permanent residential address to which we shall send all postal correspondence. If you change your postal or email address in the future, please tell us immediately. You accept that it is your responsibility to ensure that the postal address, email address and other contact information we have for you are active and up to date and you

need to be mindful that inconsistencies with the address you provide to us and those held by third parties such as other pension providers may cause delays with transactions, such as pension transfers into the SIPP;

- 14.4 we are not responsible for the loss of any documents, or the cost of replacing them, or for any other loss, cost or expense resulting from delay, or failure of delivery of, any communication we send or receive. If we send you correspondence to the email address and/or postal address you have provided, we will not be deemed to have failed in any duty of privacy, nor be liable for any losses, costs or expenses which may arise from a third party intercepting the communications;
- 14.5 you may request duplicates of documents in relation to the SIPP and copy correspondence and entries in books relating to you for which we may charge a reasonable fee;
- 14.6 you must protect the SIPP details and the associated passwords (if applicable) and report any information loss, suspected theft or misuse of the SIPP to us immediately by calling us;
- 14.7 you acknowledge that the electronic transmission of information via the internet, email or otherwise has inherent risks. Despite the inherent risks (and particularly the risk of access by unauthorised parties), unless otherwise agreed, you authorise us to communicate electronically with you and all third parties, including by email, on all matters related to the

Agreement, the Services and the SIPP. You agree that we shall have no liability to you for any loss arising directly from the use of electronic communications, except where caused by our own gross negligence;

- 14.8 we shall have no responsibility or liability to you or to any third party on any basis (other than in circumstance of our own bad faith or wilful default) in respect of any error, omission, claim or loss arising from or in connection with the communication of information to you or a third party electronically, nor any reliance upon such information, unless you or the third party would have been entitled to rely on that information under the Agreement, as if such information had been provided in writing;
- 14.9 our systems are for business use. We will take reasonable care when sending

our communications and we will take reasonable steps to establish successful delivery by the testing of external email to try to rule out as far as is possible any general failure of electronic communication but we will not accept responsibility for communications that are not successfully delivered where these are caught by spam filters, are otherwise intercepted by your own server or systems or service provider, or whether for any other reason beyond our control, whether the reason for not receiving the communication can be established or not, where you have changed your email address and have not notified us of the change or where the unsuccessful delivery is not as a consequence of any failure on our part. Communications we send requiring an acknowledgment from or a response by you will be followed up in the event that we do not receive that acknowledgment or response but we reserve the right to charge an additional fee for protracted communications or attempts to reach you where an acknowledgment or a response is required but not forthcoming. We shall not be responsible for following up communications which are general notifications or notices served in accordance with these Terms and Conditions (not requiring acknowledgment or response), which are sent in good faith and which we reasonably believe have been successfully sent and we will accept no liability for loss or inconvenience in the event that communications are not received by you or read and acted on by

you unless clearly as a consequence of a failure of our systems or processes.

Certain non-cash investments may be held by a third-party nominee in an account opened in the name of the Asset Trustee under the trust depending on the nature of the investments and your specific investment instructions or by an approved third party custodian

to our order. We do not accept liability for any default or mistakes by any third party who is the nominal holder, or has some other form of custody, of the SIPP investment assets;

21.2 we will not normally exercise any voting rights in respect of any of the SIPP investments assets;

21.3 cash in the SIPP will be held in the trustee bank account opened for the SIPP. Interest may be earned on the cash balances held in the SIPP bank accounts. The applicable interest rate on cash balances from time to time is available from us upon request. The interest received will be credited directly to the SIPP bank account by the bank. We do not retain any portion of the bank interest the SIPP bank account earns, all of it is credited to the SIPP;

21.4 under no circumstances will we hold client

money we will only ever control client money via the SIPP trust.

22.0 STATEMENTS AND VALUATIONS

22.1 We will provide an annual SIPP valuation which will be prepared on or around the anniversary date of your admission to the SIPP and this will be sent to you and your adviser. Illiquid or other investment assets which are difficult to value may take some time to value;

22.2 you may request ad hoc statements for the SIPP, which we will produce on a Time Cost fee basis. See our Services and Fees for how this works;

22.3 if we issue to you more than the proper amount of

investments you must immediately notify us and take all reasonable steps to assist us with rectification as soon as possible.

23.0 REAL PROPERTY

Under this legislation, we are required to obtain evidence of your identity and keep this up to date. If, during our relationship, we have reasonable grounds for knowing or suspecting that an individual or entity is engaged in money laundering or terrorist financing, we are legally obliged to report that suspicion to the relevant authority. If we fail to make a report, we will be committing an offence. The legislation also makes it an offence for us to disclose that we have made a report if to do so might impede an investigation.

25.0 INTELLECTUAL PROPERTY RIGHTS

25.1 We retain all copyright and other

intellectual property rights in everything developed by us either before, during the course of the Agreement and after the Agreement is terminated, including rights to all materials provided by us, although the fees you pay to us under the Agreement will give you a licence to use these materials for the purposes for which they were created;

26.0 CONFLICTS OF INTEREST

26.1 We are determined to treat our clients fairly at all times. We may receive reasonable gifts from product providers, but these are closely managed to ensure client interests are not affected. In case conflicts arise between the interests of any of the companies in our group, our employees and our clients and also between clients, or between the interests of our companies as both the SIPP Scheme Administrator and Asset Trustee, we have a policy in place to ensure that we identify and handle conflicts fairly and treat our clients with honesty and integrity at all times. We and the other companies in our group may undertake other roles on your behalf, including investment and administration roles and we will uphold our conflict of interest policy during undertaking such roles. A

copy of our full Conflicts of Interest Policy is available on request.

27.0 CANCELLATION RIGHTS

27.1 You normally have 30 days in which to cancel joining the SIPP and any subsequent pension transfers to the SIPP. Subsequent investment asset purchases you may make within the SIPP do not attract cancellation rights in most instances. Please refer to the Key Features of the SIPP for full details. Where investment assets are sold, the SIPP may suffer a shortfall between the amount invested and the value you get back after cancellation. We are not responsible for any shortfall that arises. Any shortfall will be borne by the SIPP.

28.0 COMPLAINTS

28.1 You should contact us immediately if you are dissatisfied with any aspect of our service. Please write to us at Alltrust Services Limited, Warner House, 123 Castle Street, Salisbury, England, SP1 3TB or email us at complaints@alltrust.co.uk to tell us about your complaint;

28.2 your complaint will be handled in accordance with the FCA rules. We treat every complaint very seriously and aim to resolve each complaint fairly and promptly. We have a written policy, available upon request, about how we deal with complaints and how we ensure each complaint is dealt with promptly and fairly. If you have cause to complain for any reason we will automatically send you

our complaint information document;

28.3 we hope to resolve all complaints amicably. However, should we fail to resolve a complaint to your satisfaction or if we fail to do so within eight weeks of receiving your complaint, you can also direct your complaint to the Financial Ombudsman Service at Exchange Tower, London E14 9SR, telephone: 0800 023 4 567 or +44 20 7964 1000 (for calls from outside the UK), [email: complaint.info@financial-ombudsman.org.uk](mailto:complaint.info@financial-ombudsman.org.uk). You may visit the Ombudsman's website at www.financial-ombudsman.org.uk.

29.0 FINANCIAL SERVICES COMPENSATION SCHEME

29.1 You may be entitled to compensation from the Financial Services Compensation Scheme (FSCS) if the obligations of the SIPP Operator or an investment provider cannot be met due to insolvency. The level of compensation will depend on the type of business being conducted;

29.2 For further information about the compensation scheme provided by the FSCS, including the amounts covered and eligibility to claim, please refer to the FSCS website at www.fscs.org.uk or call the FSCS on 0800 678 1100 or +44 20 7741 4100 (for calls from outside the UK).

30.0 SIPP MEMBER REACHING 18

30.1 Where the SIPP is set up for a minor, responsibility for the SIPP

and this Agreement will be transferred to them when they reach 18. All correspondence from this point will be addressed to the SIPP member, they will have full authority to place investment instructions and they will be incorporated as a party to this Agreement in their capacity as our client. We will no longer be able to deal with any individual or firm upon the minor reaching the age of 18 without written authority from them.

31.0 TAXES

31.1 You remain entirely responsible for the management of your tax affairs, including making any applicable returns and payments and complying with any applicable laws and regulations. You are also responsible for ensuring that you obtain all applicable information to complete any applicable Terms and Conditions, you are responsible for the declarations you make to us in respect of your tax status or eligibility for relief at source tax reclaims on pension contributions and acknowledge and agree that you shall be responsible for complying with any applicable reporting requirements;

31.2 if you are an Overseas Client, international tax and compliance is complex and you must ensure you take appropriate expert initial and ongoing advice before making an application to join the SIPP;

31.3 where fees charged by us are expressly stated as exclusive of any tax duty or levy which may arise on them (and in particular

exclusive of Value Added Tax), we will add these taxes, duties or levies to the balance of fees as is appropriate;

- 31.4 all payments made to you related to income from the SIPP shall be subject to deduction of any applicable taxes, unless you have arranged for HMRC to issue you with a special tax code on the basis you are entitled to receive your pension payment gross and not net of UK tax and you have notified us of this special tax code together with any applicable correspondence, but it is your responsibility to consider your own tax position and to make such arrangements with HMRC direct and we are under no obligation to remind you that the default position is that all pension income is taxed at source.

32.0 PENSION CONTRIBUTIONS TO THE SIPP AND TAX RELIEF

- 32.1 You are responsible for ensuring that your contributions are within the overall limits for tax relief, but we will not provide you with any sort of advice as we are not authorised to provide you with advice. We will automatically set the last day of the Pension Input Period in which you become a member of the SIPP to the 5 April immediately following the date on which you become a Member. We will automatically set the last day of each successive Pension Input Period as 5 April. If, in a Tax Year, your total pension contributions exceed your Relevant UK Earnings, excess tax relief already received from HMRC

must be returned. If there is insufficient cash in the SIPP for this to be returned within the timescale specified by HMRC, we may sell investment assets within the SIPP to cover the amount due;

- 32.2 we will not accept responsibility for any interest levied by HMRC on overpaid tax relief owed by the SIPP to HMRC as this is your responsibility. We may enforce repayment of excess tax relief from your own funds if there is insufficient cash or investment assets in the SIPP to cover the amount due, or the SIPP has since been transferred to another pension scheme or used to provide annuity benefits. We will claim relief at source in respect of lower rate tax on your personal contributions into the SIPP. It is your sole responsibility to reclaim higher rate tax relief if applicable. Where investment income is received net, we reclaim tax where permitted by, and in accordance with, current HMRC regulations. Relief at Source claims and any other tax credits will be applied to the SIPP bank account by direct receipt from HMRC;

- 32.3 you are responsible for ensuring that the payment of a pension contribution to the SIPP will not prejudice your individual circumstances and for taking appropriate advice before making a payment.

33.0 PENSION TRANSFERS INTO THE SIPP

- 33.1 All transfers from other registered pension schemes will be made as cash unless otherwise agreed by us. We may decline investment assets to be transferred

into the SIPP in specie if they are not acceptable to us at our absolute discretion. This would be limited to investment assets we are unable to hold in the SIPP and we will inform you if this occurs. We may require you to take advice from a pension transfer specialist before we will accept a transfer from certain types of pension scheme, but we will not provide you with any sort of advice as we are not authorised to provide you with advice;

33.2 Under no circumstances will we guarantee to meet a guarantee date or equivalent date, by which time a pension transfer must be made to your SIPP, set by the trustee or administrator of a defined benefit or other safeguarded rights pension scheme or any other type of pension scheme, including a defined contribution scheme (in this clause called "the Transferring Scheme"), in order to secure the transfer value you have been quoted. We will make every effort to meet a guarantee date if the Transferring Scheme's requirements have been met in full and supplied to us by you or your adviser in good time. It is your responsibility and that of your adviser to ensure that all transfer forms, supporting documentation or other requirements of the Transferring Scheme which are not required to be completed by us on behalf of your SIPP as receiving scheme, have been fully and correctly completed and all supporting documentation has been supplied direct to the Transferring Scheme, or where we agree this, to us, where you are asking us to send these to

the Transferring Scheme on your behalf. Where we identify incorrectly completed or incomplete forms or identify that supporting documentation or other requirements have not been supplied by you to the Transferring Scheme, or to us (where we have agreed to send these on your behalf), we will reject the transfer forms and we will return the forms and any supporting documentation to you or to your adviser to be corrected, except where we have expressly agreed to assist in rectifying the forms on your behalf at your request. It is not our responsibility to identify and correct deficiencies in the forms or the supporting documentation you have provided to us or to correct errors, or to anticipate any further requirements of the Transferring Scheme, following their receipt of the transfer forms and supporting documentation where we have agreed to send these to the Transferring Scheme on your behalf. For the avoidance of doubt, our responsibility is to complete the receiving scheme forms and declarations only. We will accept no responsibility or liability for a guarantee date being missed and the consequent loss of a guaranteed transfer value and nor will we accept any responsibility or liability for a reduction in the transfer value upon a recalculation by the Transferring Scheme or for any loss of investment return where a transfer has not been secured, received and the monies not invested in your SIPP because

transfer forms that are your responsibility have been completed incorrectly, are incomplete or supporting documentation has not been provided by you or the Transferring Scheme has follow up requirements that have not been met in time. You and your adviser should take particular care to ensure the Transferring Scheme's requirements and any follow up requirements are comprehensively understood by you and we will not accept responsibility or liability for further requirements of the Transferring Scheme that come to light after we have made contact with the Transferring Scheme, whether or not such further requirements result in a delay or result in the guarantee date being missed. Guarantee dates are typically valid for three months and transfer payments are typically paid to the SIPP within 6 months, however, Transferring Schemes may have differing requirements and timescales and we require advanced notice of 10 working days from you or your adviser requesting that we try to meet a guarantee date applicable to your pension transfer and such notice must be marked urgent and clearly quote the guarantee date, name of the Transferring Scheme provider and policy number, your name and SIPP number (or equivalent) and notice must be sent to us separately to any other communication or application, such as a new SIPP application or investment instruction. We will then do our best to work with

you and your adviser and to liaise with the Transferring Scheme to secure the transfer by the guarantee date. We will always try to assist you and your adviser to meet and secure guarantee dates at extremely short notice where you have not provided us with 10 working days notice and in extreme cases where the guarantee date is due to expire same day or in a matter of days, perhaps where you are not yet a client of ours, but our performance of all the Services (provided by us and defined in these Terms and Conditions) is subject to adequate notice and subject to our published Service Standards and you should note that some of our turnaround timescales may stack where more than one service is being provided and the provision and completion of one service is contingent on the completion of another service first;

33.3 advance instructions for the investment of transfer monies on receipt will be valid for six months from the date on which they are received by us. Any funds received after six months have passed will be held in cash pending your investment instructions. If we are not provided with sufficient **information** to identify a transfer payment or to allocate it to the SIPP immediately on receipt, advance investment instructions will only be placed on receipt of the required information from the transferring provider;

33.4 in accordance with Clause 5, you and your adviser are responsible for ensuring that the investment

strategy assumed as part of any pension transfer advice provided to you by your adviser or any qualified third party adviser is implemented in full on receipt of the transfer by us into your SIPP, and that the investment strategy does not deviate from the advice you have received, except where it is appropriate to do so, for example, where there has been a market movement or a genuine reason to change the strategy because it is prudent to make such a change, and where any change is made it is your responsibility to consider the impact this will have on outcomes for you, taking into account the pension transfer advice you received on the basis of the original investment assumptions;

33.5 you are responsible for ensuring that a pension transfer to your SIPP will not prejudice your position leaving you worse off and for taking and heeding appropriate advice before instructing the transfer, including carefully considering the potential consequences, should you decide to act contrary to the advice you have received.

34.0 TAKING BENEFITS AND INCOME DRAWDOWN

34.1 An application to take benefits may be made by you by contacting us for the relevant form, but we will not provide you with any sort of advice as we are not authorised to provide you with advice. Before requesting a lump sum or income withdrawal from the SIPP, you must ensure there is sufficient cash in the SIPP to cover the payment due. We may permit benefit payments in

specie by transfer of an investment asset provided sufficient cash is available to pay the income tax if applicable;

34.2 cash payments will be issued by electronic bank transfer and we will aim to make payment within ten working days of the receipt of a fully completed benefit request form, and of sufficient un-invested cash becoming available;

34.3 if at any time you take a payment from the uncrystallised portion of the SIPP which means that less than £1,000 will remain in the SIPP, we will close the SIPP Account and pay out the full amount as taxable income, less any applicable closure fee. When determining whether your remaining balance will be less than £1,000 we will not take account of the cash and/ or investment assets in any other SIPP you have;

34.4 if you elect for Income Drawdown, additional Terms and Conditions apply and you should read these before applying. Lump Sums will usually be paid by next day Faster Payment or, if requested or if a requirement due to payment value, by CHAPS and the SIPP will pay any applicable bank fees.

35.0 INSUFFICIENT FUNDS FOR BENEFITS AND INCOME DRAWDOWN

35.1 You are responsible for ensuring that sufficient cash is available to cover any tax-free cash due, your gross income payments and all fees. Where there is insufficient cash for us to meet a requested income payment in full, a reduced

payment of the cash available will be made, save that we will not make any payment if the amount of the reduced payment would be less than £50.

36.0 TIMING OF CHANGES TO INCOME DRAWDOWN

36.1 All requests to change any aspect of Income Drawdown must be submitted in writing, and will be effective at the next payment date that occurs at least ten working days after receipt of your request.

37.0 CANCELLATION OF INCOME DRAWDOWN

37.1 You have the right to cancel setting up Income Drawdown for the first time. Please refer to the Key Features for details. If you decide to cancel we will deduct fees and charges for any services that we have provided during the cancellation period and you must return any lump sums and/or income payments already received.

38.0 STOPPING INCOME DRAWDOWN

38.1 You may choose to stop Income Drawdown and instead use the funds to purchase an annuity or transfer to another registered pension scheme.

39.0 TERMINATION AND NOTICE

39.1 These Terms and Conditions apply until your membership of the SIPP ceases or the SIPP lapses with no value and if the SIPP continues after your death the Terms and Conditions will apply to your nominated

beneficiaries and any successors. If no monies are received within six months of you opening a SIPP, we may close the SIPP and these Terms and Conditions will cease to apply;

39.2 these Terms and Conditions may be terminated by you, with immediate effect, at any time, by giving written notice to us of your intention to transfer the SIPP to another registered pension scheme or purchase an annuity in accordance with the Trust Deed and Rules and making a request in writing;

39.3 without affecting any other right or remedy available to us, these Terms and Conditions may be terminated by us with immediate effect, at any time, by giving written notice to you, if:

- a) you fail to pay any amount due under the Agreement on the due date for payment and remain in default not less than 14 days after being notified in writing to make such payment;
- b) you commit a material breach of any of these Terms and Conditions which is irremediable or (if such breach is remediable) you fail to remedy that breach within a period of 7 days after being notified in writing to do so;
- c) you are liquidated or dissolved or declared bankrupt or otherwise unable to pay your debts as they fall due;
- d) we have reasonable grounds for believing you have committed or are about to commit a crime in connection with your use of the SIPP; or

- e) we are required to terminate these Terms and Conditions by any competent regulatory authority or as a matter of law.
- In these circumstances, we will provide you with advance written notice where it is reasonably practicable to do so;
- 39.4 in addition to the right to terminate set out above, we may also terminate these Terms and Conditions for any other reason, by giving you at least 30 days' written notice;
- 39.5 termination of these Terms and Conditions shall be without prejudice to the completion of transactions already initiated under these Terms and Conditions. Such transactions will be completed by us as soon as practicable, if there are sufficient funds in the SIPP to pay us all outstanding amounts owing to us under these Terms and Conditions;
- 39.6 on termination of these Terms and Conditions you will pay us all outstanding costs, fees, charges or expenses relating to the SIPP and any transactions already initiated prior to termination or in respect of fees owed for aborted transactions if we are unable to settle them direct from the SIPP. You will also pay any expenses necessarily incurred by us in terminating these Terms and Conditions and in concluding outstanding obligations and you will bear any losses necessarily realised in concluding any outstanding obligations;
- 39.7 cheques or payment orders that remain un-cashed and residual account balances may not attract further interest;
- 39.8 fees will apply to the termination and closure of the SIPP in accordance with our published Services and Fees;
- 39.9 in the event of the termination of the Agreement all fees then due to us shall be payable and no fees paid shall be refundable and there will be no pro rata basis applied for calculating annual or other fees owed to us. We will endeavour to deal with matters promptly and to cooperate fully with all relevant parties. We will charge a transfer out fee for any pension transfers to an alternative registered pension scheme and any fees applicable in respect of any other transactions we may undertake as part of the Services while dealing with termination. Fees will continue to be due and payable until termination is complete and the Services have ceased;
- 39.10 on death, your representatives should send us either the original or a certified copy of your Death Certificate, and we will continue to rely on these Terms and Conditions until the SIPP is closed and they will continue in force if the SIPP remains open for the benefit of your nominated beneficiaries and any successors;
- 39.11 if you apply to transfer the SIPP, either to purchase an annuity or to transfer to another registered pension scheme, we will not transfer the SIPP until we have received all outstanding tax relief due to you, unless you

provide specific instructions to the contrary. Pension transfers and annuity purchases will only be permitted on receipt of the relevant form which you can obtain from us and upon the completion by us of full due diligence on the receiving registered pension scheme in order to satisfy ourselves that the transfer is a permitted, authorised and bona fide pension transfer and that the receiving scheme is a bona fide scheme capable of accepting the pension transfer. We will not be responsible for any delays in dealing with third parties, including HMRC while satisfying ourselves that the pension transfer is a permitted transfer or while giving effect to the transfer of investment assets out of the legal ownership of the Asset Trustee to a new trustee or any financial losses due to such delays. Pension transfers of crystallised funds will only be permitted as full transfers and partial transfers of crystallised funds will not be permitted. In specie transfers of assets will be made first and cash transfers will be paid last, once all in specie transfers are complete. We will exercise our absolute discretion as to the timing and order in which transfers of investment assets and cash are made but this will not affect your statutory rights to a pension transfer;

39.12 we will not provide you with any sort of advice on the purchase of an annuity or on transfers to another registered pension provider as we are not authorised to provide you with advice.

40.0 EVENTS OUTSIDE OUR CONTROL

40.1 An "Event Outside Our Control" means any act or event beyond our reasonable control, including without limitation; strikes, lock-outs or other industrial action by third parties, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not) or threat or preparation for war, fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster, or failure of public or private telecommunications networks;

40.2 we will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under these Terms and Conditions that is caused by an Event Outside Our Control. If an Event Outside Our Control takes place that affects the performance of our obligations under these Terms and Conditions we will notify you as soon as reasonably practicable and our obligations under these Terms and Conditions will be suspended and the time for performance of our obligations will be extended for the duration of the Event Outside Our Control.

41.0 THIRD PARTY RIGHTS

41.1 A person, other than one of our group companies, who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

42.0 SEVERABILITY

42.1 If any part of the Agreement is held to be invalid or unenforceable, the remainder will continue in full force and effect.

43.0 UNAUTHORISED PAYMENTS

43.1 We may, from time to time, be charged with a scheme sanction charge by HMRC in respect of unauthorised payments made from the SIPP. A scheme sanction charge is a standalone charge to tax that becomes payable by the scheme administrator when a scheme chargeable payment is made in accordance with the Finance Act 2004 (as amended) and whilst we will make reasonable efforts to block any transaction or payment which we reasonably believe will be deemed to constitute an unauthorised payment, in the event such a payment arises, the scheme sanction charge will be deducted from the SIPP and we shall not be personally liable.

44.0 LIMITATION OF LIABILITY

44.1 It is hereby declared by the Parties that we and the Asset Trustee have no beneficial interest in the SIPP, that the Asset Trustee's interest in the SIPP is as a trustee only and that our total aggregate liability and the liability of the Asset Trustee individually or together shall be in all respects and for all purposes (including without limitation in

tort (including negligence), breach of statutory duty, contract, misrepresentation, restitution or otherwise howsoever arising) limited to the value of the SIPP and shall exclude (to the fullest extent permitted by law) any liability for economic losses (including loss of profits, business, contracts, revenues or anticipated savings); or any loss of goodwill or reputation; or any special, indirect or consequential loss or damages in any case, whether or not such losses were within the contemplation of the Parties at the date of the Agreement;

44.2 you agree to fully indemnify us and the Asset Trustee against any and all financial losses or legal liability in respect of the investment assets held in the SIPP at your direction including tax charges we may incur due to unauthorised payments.

45.0 GOVERNING LAW AND JURISDICTION

45.1 The terms of the Agreement shall be governed and construed in accordance with the laws of England and Wales and the Parties agree to submit to the exclusive jurisdiction of the English Courts;

45.2 we will communicate with each other in English;

45.3 these Terms and Conditions are based on our understanding of current legislation and the practices of HMRC, HM Treasury and the FCA as at the date the Terms and Conditions were written. If HMRC or HM Treasury change or clarify legislation or FCA regulations change we will not be liable for any resultant loss howsoever incurred.
